2003 SENATE BILL 225

August 13, 2003 – Introduced by Senators ROESSLER, BROWN, HARSDORE, KANAVAS, LAZICH, SCHULTZ and ROBSON, cosponsored by Representatives FREESE, JESKEWITZ, GUNDERSON, HAHN, KREIBICH, J. LEHMAN, LOEFFELHOLZ, MILLER, MUSSER, OLSEN, OTT, OWENS, PETROWSKI, SERATTI, VAN ROY, VRAKAS, TAYLOR, HUBER, SHILLING and PLOUFF. Referred to Committee on Health, Children, Families, Aging and Long Term Care.

- 1 AN ACT to amend 447.05; and to create 447.055 of the statutes; relating to:
- 2 continuing education for dental hygienists.

***Analysis by the Legislative Reference Bureau***

Under current law, dental hygienists licensed by the Dentistry Examining Board (board) must apply to renew their licenses every two years. Under this bill, the board may not renew a license unless a dental hygienist attests that he or she has complied with continuing education requirements. In addition, when applying for renewal, a dental hygienist must attest that he or she has a current certification in cardiopulmonary resuscitation.

Regarding continuing education, the bill requires an applicant for renewal to attest that he or she has taught, attended, or otherwise completed, during the preceding two years, 20 credit hours of continuing education, including training in basic life support, cardiopulmonary resuscitation, and infection control. This requirement does not apply the first time that a person applies to renew a license, but applies the second time and each time thereafter. No more than two of the required 20 hours may be satisfied by training in basic life support or cardiopulmonary resuscitation, and no less than two of the hours must be satisfied by training in infection control. Also, no more than ten of the hours may be satisfied by self-study, correspondence, or Internet courses or programs. In addition, an applicant for renewal is allowed to substitute uncompensated hours of voluntary activities related to dental hygiene for no more than five of the hours.

Finally, the examining board may require submission of proof of compliance with the continuing education requirements. The board may require such proof on a random basis, or another basis determined by the board.
